

**Women’s Health Council of RI and Lifespan
Spring Workshop
*Women and the Escalating Opioid Crisis: What is happening and
what providers need to know***

Thursday, November 3, 2016

5:00 – 8:00 p.m.

**The Warren Alpert Medical School at Brown University
Providence, Rhode Island**

Program Evaluation Summary Report

Each participant must complete an evaluation to receive a Contact Hour Certificate for this educational activity. Please be as honest and objective as possible. (125 evaluations completed)

1. Rate the extent to which the objectives were met by circling the appropriate number.

Learner’s achievement of each objective (list each objective below)	Met	Partially met	Not met	Not Rated
1. The participant will be able to describe the burden and extent of the opioid crisis in Rhode Island, particularly for women.	119/125	4/125	2/125	0
2. The participant will be able to discuss specific dimensions of the opioid misuse epidemic as it relates to pregnancy and interpersonal violence.	115/125	6/125	1/125	3/125
3. The participant will be able to describe the roles of different providers in responding to the epidemic and name three resources they can utilize to assist patients.	97/125	4/125	1/125	23/125
4. The participant will be able to describe treatment complications for patients in recovery and two strategies to resolve them.	103/125	13/125	4/125	5/125
5. The participant will be able to describe the Rhode Island regulations for the Prescription Monitoring Program- what it is, who can access it, how it should be used, and how to register a patient.	94/125	7/125	1/125	23/125

2. Rate the relevance of the objectives to overall purpose/goals.

	Yes related	Yes, Partially related	No Not related	Not Rated
Relevance of the objectives to overall purpose/ goals of the educational activity.	104/125	15/125	0/125	0/125

3. Rate the teaching expertise of the presenter.

Evaluation of presenter: Corinna Roy, MA	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	116/126	6/125	0/125	3/125
Teaching strategies were appropriate for the objectives and content.	102/125	10/125	4/125	9/125
Evaluation of presenter: Mara Coyle, MD	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	123/125	1/125	0/125	1/125
Teaching strategies were appropriate for the objectives and content.	118/125	0/125	0/125	7/125
Evaluation of presenter: Henrique Pedro, RPh	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	121/125	4/125	0/125	0/125
Teaching strategies were appropriate for the objectives and content.	95/125	17/125	5/125	8/125
Evaluation of presenter: James McDonald, MD, MPH	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	124/125	1/125	0/125	0/125
Teaching strategies were appropriate for the objectives and content.	117/125	1/125	0/125	7/125
Evaluation of presenter: Melanie Lippmann, MD	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	124/125	1/125	0/125	0/125
Teaching strategies were appropriate for the objectives and content.	78/125	18/125	4/125	25/125
Evaluation of presenter: Lori Dorsey, MSW	Met	Partially met	Not met	Not Rated
Speaker's expertise enhanced the activity.	124/125	1/125	0/125	0/125
Teaching strategies were appropriate for the objectives and content.	92/125	6/125	2/125	25/125

4. Conflict of interest disclosure

	Met	Not met	N/A	Not Rated
--	------------	----------------	------------	------------------

Conflict of Interest disclosed	120/1256			5/125
--------------------------------	----------	--	--	-------

Comments:

Well done and informative! (2)

M. Coyle (2), J. McDonald (6), H. Pedro, M. Lippmann, L. Dorsey (4)—Great presentation!!!

H. Pedro—slides too small

C. Roy—slides/graphics too small to read

Great job on speakers!

Dr. Coyle—a great patient advocate—speaking up about language.

Dr. McDonald—public speaker extraordinaire!

L. Dorsey—Fabulous story of woman not from vses. Thank you for sharing.

Perhaps in the future you could have actual people/women w/SVD speak along with moms who have taken a NAS infant home—what is that experience. Thank you!

L. Dorsey—Great personal experience

Thank you! This was a very informative conference.

Was Dr. McDonald's PMP dashboard, as displayed by H. Pedro, real patients?

H. Pedro—a little cynical; but realistic

The only thing I would change would be to have an RN on the panel or as a speaker. Many nurse in the audience and of course frontline care providers.

C. Bridges Feliz did an amazing job summarizing.

Need comprehensive resource info (central resource source)
